Dear Parents and Carers

I would like to congratulate all the members of our Interschool Cross Country Team on their magnificent effort last Thursday. Tying for first place with Beldon Primary, our school won the 2015 Oceanside East School Sports Association Interschool Cross Country Competition. It is the first time in the six years that I have been at the school that Poseidon has won an interschool competition. This result reflects the time and effort the students and staff have put into training for this event as part of the school’s daily fitness program which commenced at the beginning of Term Two. Read on for more detailed results and pictures.

Whilst I am congratulating members of our great school community, I would also like to thank all the hard working and dedicated members of the P & C for the outstanding success of the Back to the 80s Quiz Night that was held last Saturday night. It was a great night of fun and entertainment with giant rubiks cubes, fluoro fashion and lots of mullets.

Thought for the Week

Managing Student Behaviour in the Playground

At the beginning of each year, we include the Classroom Student Behaviour Management procedures in our newsletter so that all parents have an understanding of this aspect of creating and maintaining a safe and happy learning environment.

The school has a separate set of procedures for managing student behaviour in the playground. These are well understood by staff, but have not been distributed to the school community before. The procedures are as follows:

- Maintenance of safe and secure Kindy to Year 6 playground environments.
- Two duty teachers rostered on duty at recess and lunch times.
  - Required to wear bright orange vests to increase visibility to all students.
  - Two defined duty areas.
  - Duty teachers to keep moving throughout duty areas to ensure all students are supervised.
- Students to ask for help from a duty teacher.
- Students are made aware of the out of bounds areas where they are not to play.
- Incident management for minor concerns:
  - Dealt with by the duty teacher.
- Incident management for more complex incidents:
  - The duty teacher to sit the students outside the Staffroom or in the Frog Pond area and inform Administration staff of the incident. This frees the duty teacher to return to their class at the end of recess and lunch times.
  - Administration staff to complete an investigation into the incident, as required.
  - Students complete playground reflections sheets, if required, and take them home to be sighted and signed by parents.
- Incident management for more serious incidents, such as physical assault:
  - Administration to notify, by telephone, the parents of all students involved in the incident.
  - All families to be informed of any consequences given to the students involved in the incident and any risk management strategies that may be put in place to ensure the ongoing safety of students.
  - All staff to be informed of the incidents and consequences by email to ensure that everyone is aware of the situation.
  - Administration staff to facilitate a restorative justice meeting between the involved students.
- Records of incidents kept to identify any potential patterns of behaviour or areas of concern.

A meeting will be held on Tuesday September 8 at 2:00pm in the Staffroom for interested parents who would like to have any aspect of these procedures clarified.
Condolences

We are saddened to inform you that one of our Year 2 students in Miss Ward’s class has recently lost her father, who passed away suddenly last week. Our sincere sympathy is extended to the family during this very difficult time. While we understand that people may have questions or concerns around this event, we ask that you please respect the family’s privacy during the coming weeks.

At this stage we have not informed the students in Miss Ward’s class, as we believe that this should be left to parents and carers to do so in the way they feel most comfortable with. At this age children may be quite curious about death and have many questions. As parents and carers, it is up to you to decide how much information is appropriate and helpful for your child.

Members of the Poseidon Community are raising funds to support Nicole and Ainsley. If you would like to help, please click on the following link: https://www.mycause.com.au/page/109398/for-nicole-and-ainsley

If you would like more information on how you might talk to your child about death and loss, or you need more support for you and your child, please contact Peter Blackford (Principal) or Michael Wright (Deputy Principal) on 9307 2356.

Please remember to look after one another during this very sad and emotional time.

Faction Day P&C BBQ – We Need Your Help!!

Traditionally the P&C run a BBQ at the Faction Carnival – last year we served bacon and egg burgers, sausage sizzle, coffee, tea, cake and biscuits and raised over $1500. This year, however, the P&C Fundraising Team have work commitments, and we need your help. We urgently need volunteers to help co-ordinate and run the stall. If you are able to cook on the BBQ or make coffee, please contact Debbie Ellis on 0408 083 312 asap. Rosters are flexible and we’ll make sure you can see your kids compete.

If we don’t get the support, then we will not be able to run the BBQ. All the money that the P&C raises goes to the benefit of our students. It only takes an hour or two of your time, you can help raise much needed funds for our great little school and together we can continue creating fantastic opportunities for your children.

Book Week Thank You

We had another successful Book Week, with over $1100 raised! We hope you enjoyed the fabulous Book Fair. A special THANK YOU to Petrina for all her hard work, and thank you to all our Book Fair volunteers – we couldn’t have done it without you!
RSPCA Cupcake Day

Our traditional fundraiser for the RSPCA was held yesterday. This year, both the quality and quantity of cakes and slices was truly amazing. All students had a wonderful time first selecting something to eat and then indulging themselves in a very special treat at recess. The $500 raised will be helping the animals in our community. This was another very special Poseidon day, where we made a difference. A big thank you to Ros Mugg, who has an amazing talent for uniting the school community in support of such a worthy cause.

Poseidon Spelling Competition

This week students in each class have been competing in the class level spelling tests to determine the top four students in each year level. These top four students will participate in the finals that are scheduled to be held on Wednesday September 9 in the Undercover Area. It would be great to see parents, grandparents and family friends in the audience supporting all the finalists. Students in Years 3 to 6 who finish in either first or second place will then go on to represent the school at the interschool competition to be held in Term Four at Ocean Reef Primary School.

10 Year Anniversary Congratulations

Congratulations to Bruce, our friendly crossing guard, who just celebrated his 10th anniversary with Poseidon Primary. Make sure you say Hi as you use the crosswalk.

We do ask parents to use our school crosswalk when crossing Poseidon Road, rather than crossing near Larkspur Place. Bruce is there to ensure your child’s safety, and by walking with your children up to the school crossing you are ensuring that we are able to keep our manned crossing.

Bruce with our new solar School Zone signs.
Thank you to everyone who has been bringing in their Earn & Learn sticker sheets. You get one Woolworths Earn & Learn sticker for every $10 spent at Woolies (excluding liquor, tobacco and gift cards). Stickers and sticker sheets can be dropped into the Collection Boxes at the Front Office, The Canteen, Pre Primary classrooms, Kindy and Playgroup. We also have collection boxes at Woolworths Joondalup, Beldon, Currambine and Whitfords.

At the end of the promotion, we’ll be able to get some great new equipment, so keep shopping!

P & C Project Proposals
There’s still time to get your submissions in!!

The Poseidon P&C has many had successful fundraising efforts with over $20,000 raised last year, thanks to the support of our school community.

In order to allocate funds to areas that are important to the school, Poseidon P&C is inviting members of the school community including parents, caregivers, staff and community members to submit project proposals. These proposals will be assessed and prioritised by the P&C using a newly established process that is both fair and efficient.

Once all submissions have been submitted, all projects will be presented at the September P&C meeting. Project submitters are encouraged to attend this meeting to provide an overview and answer any queries regarding their project. Online voting will then be available to all paid P&C members and the results will be used to prioritise projects. Final funding allocations will be determined at the October 2015 P&C meeting.

Important dates for the second round of project proposals are:

- Project proposal submissions due: 31 August 2015
- Presentation of project proposals at P&C meeting: 16 September 2015
- Online voting for projects opens (paid members only): 20 September 2015
- Online voting for projects closes: 16 October 2015
- Final decision on project funding allocation at P&C meeting: 21 October 2015

You’ll find the Project Request form further on in the newsletter and copies will soon be emailed to all parents along with P&C Membership forms. Submission of project proposals is open to everyone. Voting on projects will only be made available to paid P&C members.

Modern dads want to be close to their kids. They want to know what’s going on in their kids’ lives and they want to be hands on.

Today, involvement in their kids’ lives is the mantra of most fathers. Most men want to be more than breadwinners, and want to share in as many aspects of parenting as practical. They want to know what’s going on in their kids’ lives and they want to be hands on.

In fact, many dads tell me that they want a better relationship with their children, particularly their sons, than they had with their own fathers. Sadly, many men still don’t enjoy a close relationship with their fathers, but they are determined to change things with their own kids.

Here are seven ideas to help you form close relationships with your kids, and maximise your effectiveness as a parent and a partner:

1. Find something in common with your kids
Dads related better with their children when they have something in common. Finding that common bond can be tricky though. Many men relate to their kids while being active, and teach many important lessons through games and play. But if sport is not your bag, find something else that you and your kids have in common.

A common interest is a great help for fathers who live apart from their kids who are looking to maximise the time they have with them.

2. Tell your sons you’re proud of them
Boys want their dads to be proud of them. They just yearn to hear their dads say, “I’m so proud of you and what you do!” Some dads struggle getting those words out! It’s not so much that they are not proud, it’s just that many dads want their sons to be better. Some dads need to be careful not to push their sons too hard or turn every game into a lesson. That’s when boys turn off their dads.

3. Don’t wimp out on discipline
Dads are traditionally the kings of play, but they can go missing when it comes to discipline. They get their kids excited in a game before going to bed, then they expect their partner to settle them down. Both parents can take their share of managing children’s behaviour.

4. Treat your daughters well
There are strong links between close fathering and the healthy development of girls. Dads teach their daughters strong lessons about how they should be treated by males. So dads need to treat their daughters respectfully so they learn to expect this treatment in their future relationships with men.

5. Say goodbye Superman, hello Clarke Kent
Adolescent boys are programmed to challenge their fathers. It’s part of growing up. Author John Marsden refers to this phenomenon as the ‘old ram, young ram syndrome’. Verbal jousting matches are a popular father-son game in which boys take great delight in proving their fathers are fallible. A dad at this stage needs a sense of humour as well as a willingness to stand back and allow other mentors in to his son’s life.

6. Support your partner
Fathers may play an integral part in the lives of their children but they also have a profound effect on the quality of mothering that children receive. A woman who can share the emotional and financial burdens of child-rearing with a supportive partner is more likely to be a loving, affirming mother.

7. Change as your child changes
They’re children one day and teenagers the next. The most effective dads are those who change their parenting to suit the needs of their kids at each stage of development, rather than stubbornly hold to outdated ideas of how they think their kids should be.

Fathers who are little apprehensive or lack sufficient confidence should become involved in as many aspects of parenting as they can. The best way to learn about parenting is by doing it.

By being alert, watchful and listening to their children fathers can learn all they need to know about parenting.
