REQUESTING CONSENT TO DISCLOSE PERSONAL INFORMATION TO THIRD PARTY SERVICES

(BUNDLED CONSENT)

The following third party services are being used in our school. These services require us to share some personal information about your child and require you to provide consent for each service before we do so. On enrolment to any school, each student is allocated a Department of Education email address. The students in Lower Primary will not be using their own e-mail address to log into any services. The teacher will provide usernames and passwords where provided. The Upper Primary students will be using their school provided e-mail address to log into some services, such as the Google Suite. These policies have recently changed due to information being stored Outside Australia. Please contact the school if you have any queries.
